

PERSONAL STYLE WORKSHEET

Your new space is **your** space. It should function and feel like no other. This exercise helps you consider what matters to you. It's like a personal mission statement that will serve as a guide and a measure for your decision-making. Come up with your own words or pick some from our space personality word bank on the next page. Bring this sheet along when you meet with a designer.

Words that describe how I want my new space to look & feel:

01.

02.

03.

04.

05.

06.

07.

08.

09.

10.
